Stocks Rise In Weak Volume

1 The Nasdaq edged up 0.1% for a 7th straight gain, hitting a 13-1/2-year high intraday. The Dow rose 0.8% and the S&P 500 0.5%. The S&P and Nasdaq are back near highs. Volume fell across the board, though. The 10-year Treasury yield rose 1 basis point to 2.74%. Silver jumped 5%; gold also rose. **More on B8**

Industrial Output Falls In Jan.

2 Industrial production sank 0.3%, an unwelcome surprise for analysts expecting a 0.3% increase. Manufacturing fared even worse, falling 0.8%, the worst monthly drop in nearly 3 years, as auto output reversed. Capacity utilization fell to 78.5% — below the 80% level that can trigger new business spending. Weather likely played a role, but it's not clear if the downturn will last. **See Vital Signs on A2**

ObamaCare Costs $56,819 For Every Enrollee In Hawaii

States' Blanks For The Bucks

Weak sign-ups bode ill for state-run exchanges' finances over long term

BY JOHN MERLINE
INVESTOR'S BUSINESS DAILY

How much does it cost taxpayers to sign up one ObamaCare enrollee? In President Obama's home state of Hawaii, it's $56,819.

The Obama administration

D.C., are still below 50%. Even Kentucky, which is often cited as a big ObamaCare success story, is just 22% toward its goal.

And these figures could be inflated because some states aren't reporting how many have actually paid. In Vermont, for example, 20% of those who enrolled have yet to pay their first premium. Some states have a much lower payment rate.

Enrollment Pace Sluggish

LogMeIn Soars On Q4 Beat; Networkers Up

IBD INDUSTRY THEMES

BY NANCY GONDO
INVESTOR'S BUSINESS DAILY

These days, all businesses — big or small — need an online presence. That's where providers of Web network software and services step in.

Internet-Network Solutions has moved up to No. 64 among IBD's 197 industry groups, from No. 105 three months ago. It was a big gainer Friday, as **LogMeIn**[LOGM] gapped up and surged more than 20% to a two-year high in massive trade.

Late Thursday the company reported Q4 profit, revenue and guidance that topped views. Needham raised its rating to buy from hold. LogMeIn, which offers software that lets users remotely access computers, has a 35 EPS Rating, thanks to a spotty profit track record. But analysts forecast a 42% jump in Q1 EPS and a 40% increase for 2014.

Web.com Group[WWWW] leads the Network Solutions group with a 97 Composite and a 95 EPS. The stock is at a new high and sits 7% above a 32.58 buy point of a cup with handle. On Feb. 6, the provider of website publishing software and services announced Q4 earnings that beat forecasts by 2 cents.

F5 Networks[FFIV] is near a 17-month high. The maker of application delivery controllers, which optimize server workloads to speed up networks and websites, is expected to return to double-digit revenue growth this year. F5's Composite has improved sharply, to 96 from 64 last month.

Akamai Technologies[AKAM] shot out of a base with a 21% jump on Feb. 6 after its Q4 results beat estimates on the top and bottom lines. The stock is now 12% past a 53.71 entry. The content delivery network service provider, which earns a 96 Composite, is trading at its highest level in years.

Five tech-related groups make the top 20 industry groups. Security software is at No. 4 vs. 116 three months back, and educational software ranks No. 20 vs. 117.

Priceline, Alexion Post Solid Gains For The Week

SMART TABLE REVIEW

BY JUAN CARLOS ARANCIBIA
INVESTOR'S BUSINESS DAILY

The Sector Leaders were mainly quiet Friday as they capped a solid week.

Priceline.com[PCLN] rose for the seventh day in a row, climbing 3.91 to 1,279.98 in volume about 40% above average. The travel booking company had a prolific week, surging 7% to new highs even after triggering a sell rule a couple of weeks back. The stock is now extended from its 1,198.10 entry.

Alexion Pharmaceuticals[ALXN] also had a superb week on Sector Leaders. The stock edged up 0.55 to 180.55 in above-average volume Friday but surged more than 10% for the week. Alexion has become quite extended from a pullback to the 50-day line last month.

Under Armour[UA] slipped 2.58 to 106.00 in nearly double its usual volume.

U.S. Speedskating is seeking permission for Americans competing in the Sochi Olympics to stop wearing Under Armour skating suits, which some skaters blame for U.S. underperformance at the winter games, the Wall Street Journal reported. Under Armour also makes the alternate suit.

The loss wasn't so significant for Under Armour, but it was enough that a possible three-weeks-tight pattern could not materialize.

Spirit Airlines[SAVE] is finding support at its 50-day moving average. The stock climbed 0.36 to 47.06.

Airline stocks were mostly flat or higher last week, despite thousands of flight cancellations since December due to stormy weather over much of the U.S.

Ubiquiti Networks[UBNT] eased 0.39 to 45.35 in average trading. The stock has been shaping an ascending base. But the consolidation of the past six weeks can now be interpreted as a cup-type base. The potential buy point is the same as for the ascending base: 48.10.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

SHARON WILLIAMS, derivatively, on behalf of NCR CORPORATION,
Plaintiff,
v.
WILLIAM R. NUTI, ROBERT FISHMAN, JENNIFER DANIELS, EDWARD P. BOYKIN, RICHARD L. CLEMMER, GARY DAICHENDT, ROBERT P. DeRODES, and LINDA FAYNE LEVINSON,
Defendants,
-and-
NCR CORPORATION,
Nominal Defendant.

CASE NO. 1:13-CV-01400-SCJ

SUMMARY NOTICE OF SETTLEMENT OF NCR CORPORATION DERIVATIVE ACTION AND SETTLEMENT HEARING

TO: ALL OWNERS OF NCR CORPORATION ("NCR" OR THE "COMPANY") COMMON STOCK AS OF JANUARY 22, 2014 ("CURRENT NCR SHAREHOLDERS").

YOU ARE HEREBY NOTIFIED that the parties to the above-captioned derivative action, as set forth in Williams v. Nuti et al., Civil Action No. 1:13-CV-01400-SCJ (the "Action"), have reached a settlement (the "Settlement") to resolve the issues raised in the Action. The parties have entered into a Stipulation of Settlement (the "Stipulation") setting forth the terms of the Settlement. The Settlement, if approved by the Court, would fully, finally and forever resolve the Action on the terms set forth in the Stipulation.

The Action and Settlement address claims alleging that certain current directors and officers of NCR breached their fiduciary duties by knowingly causing or allowing NCR to violate the Foreign Corrupt Practices Act ("FCPA") and/or various federal trade restrictions and sanctions. As part of the Settlement, NCR has implemented or, to the extent NCR has not done so, will implement certain corporate compliance enhancements as specifically set forth at Exhibit D of the Stipulation. The individual Defendants have denied, and continue to deny, all allegations of wrongdoing and that they have any liability on the claims asserted in the Action. NCR also has denied and continues to deny the claims in the Action.

PLEASE BE FURTHER ADVISED that pursuant to an Order of the United States District Court for the Northern District of Georgia (the "Court"), a hearing (the "Settlement Hearing") will be held before the Honorable Steve C. Jones on April 8, 2014 at 11:00 a.m. in Courtroom 1907 of the Richard B. Russell Federal Building and Courthouse, 75 Spring Street, SW, Atlanta, Georgia 30303 (i) to determine whether the terms and conditions of the Settlement are fair, reasonable, adequate, and in the best interests of NCR and its Current NCR Shareholders; (ii) to determine whether the Judgment should be entered dismissing the Action with prejudice, releasing the Released Claims, and enjoining and/or barring prosecution of any and all Released Claims; (iii) to determine whether the Fee Award should be approved; and (iv) to consider such other matters as may properly come before the Court. The Settlement Hearing may be continued by the Court at the Settlement Hearing, or at any adjourned session thereof without further notice to Current NCR Shareholders.

A detailed Notice of Settlement of NCR Corporation Derivative Action and Settlement Hearing ("Notice") describing in greater detail the Action, the proposed Settlement, and the rights of Current NCR Shareholders with regard to the Settlement is available on NCR's website at https://www.ncr.com. The full terms of the Stipulation may be inspected at the Office of the Clerk of the United States District Court for the Northern District of Georgia located at the Richard B. Russell Federal Building and Courthouse, 75 Spring Street, SW, Atlanta, Georgia 30303, during regular business hours of each business day.

If you are a Current NCR Shareholder, your rights to pursue certain derivative claims on behalf of NCR may be affected by the Settlement. A Current NCR Shareholder wishing to assert an objection to the Settlement must, at least fourteen (14) calendar days prior to the Settlement Hearing, (1) file with the Clerk of the Court a written objection to the Settlement setting forth: (a) the nature of the objection; (b) proof of ownership of NCR common stock through the date of the Settlement Hearing, including the number of shares of NCR common stock held by the shareholder and the date(s) of purchase; and (c) any documentation in support of such objection; and (2) if a Current NCR Shareholder intends to appear and requests to be heard at the Settlement Hearing, such shareholder must have, in addition to the requirements of (1) above, filed with the Clerk of Court: (a) a written notice of such shareholder's intention to appear; (b) a statement that indicates the basis for such appearance; and (c) the identities of any witnesses the shareholder intends to call at the Settlement Hearing and a statement as to the subjects of their testimony. Copies of any such filings must also simultaneously be served (either by hand delivery or by first-class mail) on the parties' counsel of record as set forth in the Notice posted on NCR's website.

Current NCR Shareholders have the right to object to the Settlement in the manner provided herein, and failure to object in the manner provided in the Notice at least fourteen (14) calendar days prior to the Settlement Hearing will be deemed a waiver of all objections. Any Current NCR Shareholder who fails to properly object will be bound by the Judgment to be entered and the releases to be given, unless otherwise ordered by the Court.

Any inquiries regarding the Settlement or the Action should be directed to Plaintiff's Counsel:
